Dear Mr. Pilgrim:

On behalf of West Seattle Christian Preschool, I would like to thank you for assisting our school with being able to re-hang the American Flag. Having the American Flag flying high on our flag pole in front of our school is important. We are extremely pleased that our school now has one and it was with your generosity that made this all possible. Please drive by to see!

We appreciate our local Hardware Store helping us, a local preschool. I grew up working in a neighborhood hardware store myself and I appreciate businesses and the community working together.

Thank you again.

Sincerely,
