

West Seattle Garden Tour

P.O. Box 16172, Seattle, WA 98116

September 20, 2009

Bruce Davis
Junction True Value
Seattle, WA 98116

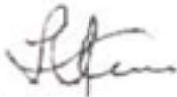

Dear Bruce,

We would like to extend our deepest thanks for your help in sponsoring our tour this year at the Platinum level. Your cash contribution of \$1,500 not only provided us with the practical resources necessary to stage the tour, it motivated us to work harder to make you proud of your association with us. It also allowed us to support some incredibly worthy groups in our community. Because of your participation, you helped us raise over \$24,800 which will be shared with this year's beneficiaries. Arts West, Seattle Youth Garden Works, Plant Amnesty, Transitional Resources, and the new Junction Park will be able to move forward with projects that benefit our environment and our community.

As always, we welcome your feedback. If there's anything we can do to make the tour stronger or improve sponsor relations, please do let us know. We're always looking forward and working to strengthen our commitment to our sponsors and to this event.

Thank you again for partnering with us to create a very successful fifteenth West Seattle Garden Tour—we appreciate your involvement and look forward to working with you in the future!

Warmest Regards,

Lee Kramer
President

Bill Hibler
Sponsorship Chair
